General Information

LOCATION—The sale will be held in the modern heated sale pavilion on the Osceola County Fair Grounds just three blocks west of the main intersection in Sibley, Iowa. Sibley is at the junction of Highways 9 and 33, and excellent paved and graveled roads run in both directions. It is on the main line of the Chicago & Northwestern Railroad.

TIME—The sale will start at 12:30 p.m. on Tuesday, January 5, 1960.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

FOREWORD

The 20th ANNUAL TRI-STATE ANNIVERSARY SHORTHORN SHOW AND SALE to be held at SIBLEY, IOWA, on TUESDAY, JANUARY 5, 1960, Marks a milestone in the history of one of the top district Shorthorn sales in the country.

From the humble beginning of 3 consignors 20 years, or one-fifth of a Century ago, this sale has consistently grown to where it has become recognized as one of the top district sales in the country. As a matter of record, two of the original consignors have consigned for twenty consecutive years and are again consigning this year.

This sale has established an enviable reputation as a place for breeders and farmers to buy improving herd bulls and females. The offering has annually sold to many states over a wide area. Many outstanding small purebred and commercial herds had their beginning with purchases made in the TRI-STATE SALE. This year over half of the consignors have regularly consigned for 15 years. A check of the records shows that innumerable buyers have come back year after year to make their purchases of seed stock at this sale. This sale claims no small credit for the many outstanding purebred and commercial Shorthorn herds that flourish in this area.

If you will study the catalog carefully you will note that the richest bloodlines backed by a record of outstanding performance are offered in this sale.

Many breeders have selected their top productions for this anniversary event. You will find Shorthorns for everyone, good bulls, producing cows with calves, good bred cows and heifers and choice open heifers.

TRI-STATE SALE is proud of its record, proud of the top cattlemen who annually consign to this sale, and proud of its long list of satisfied customers.

WHY NOT JOIN ALL OF THEM to make this MILESTONE a SUCCESSFUL EVENT on sale day, JANUARY 5 at SIBLEY, IOWA?
